

CARDIAC CARE MASTERCLASS

PRESENTED ON BOARD

ROYAL CARIBBEAN INTERNATIONAL
QUANTUM OF THE SEAS

7-NIGHT CRUISE TO THE SOUTH PACIFIC
7 - 14 FEBRUARY 2025

CRUISING FROM BRISBANE

Cruise from Brisbane to the South Pacific islands while participating in our Cardiac Care Masterclass course! Offering contemporary knowledge in cardiac care, this 20 CPD-hour course covers acute coronary syndrome, myocardial infarction management, ECG interpretation, and associated pathophysiology. Sessions delve into arrhythmias resulting from RCA and LAD artery occlusion, leading up to STEMI ECG interpretation.

EDUCATION SESSIONS INCLUDE:

- Myocardial Infarction Assessment
- Acute Coronary Syndrome
- Takotsubo Cardiomyopathy
- Spontaneous Coronary Artery Dissection
- Cardiac Emergencies
- Arrhythmias
- Acute Aortic Dissection
- Electrolyte Imbalances & Drug Toxicity Effects
- Heart failure & Cardiogenic Shock
- Advanced ECGs & Cardiac Syndromes
